

Neural Traces 2024 - Advanced M/EEG Methods and Clinical Applications Workshop

Wednesday 10 April 2024 - Friday 12 April 2024

Physikalisch-Technische Bundesanstalt (PTB)

Scientific Programme

Methods

Signal processing and time series modeling

Hardware, forward and inverse modeling

Machine learning, multivariate and statistical modeling

Open science

Other

Clinical

Movement disorders

Aging and dementia

Psychiatric and developmental disorders

Epilepsy, sleep, consciousness and other disorders

Other
