

## Expected Outcomes

- A jointly developed **roadmap for WNOF (2026–2027)**
- Clarified **roles, tasks, and responsibilities**
- A set of **shared leadership and collaboration principles**
- Agile collaboration and relationships among network partners

## Managing the Wider Nitrous Oxide Framework (WNOF)

### Collaborative Leadership for Stronger Networks (onsite in Brunswick)

*Transforming Informal Networks into Professional Collaboration through Lateral Leadership*

### Purpose

-  This workshop supports the transformation of the WNOF network from an informal structure into an agile cooperation platform. Applying the principles of **lateral leadership** – trust, transparency, role clarification, communication, and shared vision – participants will strengthen collaboration, define responsibilities, and co-create a common roadmap.

# Content – the WNOF workshop

## Day 1 (Start 14:00)

- **Arrival & Coffee** – informal start and networking
- **Introduction & Goals** – setting the framework and expectations
- **Input Session: *Lateral Leadership*** – definition, principles, relevance
- **Interactive Group Work:** Role clarification & mapping expectations (guided, with visualization tools)
- **Day Closing:** Wrap-up of key insights & informal get-together for trust-building

## Day 2 (09:00–13:00)

- **Morning Reflection:** Revisiting and deepening learnings from Day 1
- **Interactive Workshop Session:** Co-creating the WNOF roadmap – roles, responsibilities, milestones, and next steps
- **Plenary Exchange:** Building trust, strengthening communication, shaping a shared vision
- **Consolidation of Results:** Agreement on concrete deliverables:
  - Draft roadmap for 2026–2027
  - Shared principles of collaboration through lateral leadership
- **Closing Lunch (13:00)** – joint conclusion and networking with options to present posters related to N<sub>2</sub>O work in progress
